III. Campus Guide

1. Residence Hall

Chung-Ang University houses Korean Government scholars in the on-campus student dormitory which opened in 2010. Both Korean and international students live in the dormitory to provide an international atmosphere. The monthly rent is around \$300 USD for a 4-person room with four beds and \$350 USD for a 2-person room with two beds. A meal plan is included within the dormitory fees.

2. Important Notes

Graduate School	- All application documents must be original or properly certified copies of the originals. - All documents (except a copy of passport, ID and alien registration card) in a language other than English or Korean must be accompanied by a notarized English or Korean translation. - All submitted documents will not be returned.
Graduate School of International Studies	- All courses of ISP(International Studies Program) are conducted in English. - AITP(Advanced Interpretation and Translation Program) requires near native Korean proficiency.

III. Campus Guide & Important Notes

1. Dormitory Exclusive for Graduate Students

Daegu University offers rooms in the International House #2 exclusively for graduate students in order to enhance their academic achievement and research. All Global Korea Scholarship students may elect to stay in the International House. Currently there are 60 graduate students staying in 30 rooms. Each room is equipped with a washing machine, a refrigerator, a TV and a balcony. There are 15 restaurants available on campus so it is easy for students to find food that suits their taste.

2. Important notes for applicants

- A. When using Korean domestic mail service, the application materials should be post marked by 17:00 on the day of the application deadline (documents must be sent using express registered mail). For international mail, documents should arrive before the deadline.
- B. Please be aware of the followings before submitting your application documents:
 - All documents for submission must be originals
 - ※ All documents not written in English or Korean, must be translated and notarized.
 - A copy of the applicant's diploma certified by the university he/she graduated from may be submitted in place of the original.
 - In addition to the documents required by the NIIED, a certificate showing the relationship between the applicant and his/her parents should be included (this should include information about the nationalities of the parents)

3. Additional Information (Support for GKS Students)

- A. Administrative support: Daegu University provides it's full cooperation to the offices charged with offering services for Global Korea Scholarship Students. Through the International Education Support Team and the International Student Services in the Office of International Affairs, Daegu University provides full support to Global Korea Scholarship students including academic counselling, dormitory management, immigration services, life counselling and a variety of other administrative support. As a result, Global Korea Scholarship Students feel less culture shock and are able to enjoy their study abroad experience at Daegu University. Moreover, in the Office of International Affairs and the Graduate School Administration, office members and assistants who can speak English, Chinese, Mongolian, Vietnamese and other languages have been staffed to help students communicate and ensure that they are content in

their daily lives.

B. Administrative, Counselling

- Daily living Support: We keep students informed about important information regarding scholarships and their lives in Korea through email and our website. We support students to ease their life and study at Daegu University.
- Academic Counselling : At the completion of their Korean Language program and their entrance to the Graduate School, students are provided with counselling by their advisers and assistants from their department. Daegu University does its best to minimize difficulties students face when it comes to living and studying.

C. Scholarship and Welfare Support

- Very reasonable dormitory accommodation (double occupancy) : Exclusive for international students (Hotel-like) at approx. USD 950 for six months.
- Modern sports facilities (golf, swimming, health club, movies etc.) available at very cheap price
- In addition to the Global Korea Scholarship, Daegu University offers extra scholarships. Based on students' academic achievement, the scholarship is offered as follows
 - Level A: Published in international academic journals – maximum of 1.5 million won
 - Level B: Published in journals evaluated and registered by the National Research Foundation of Korea or awarded international exhibitions - maximum of 700 thousand won
 - Level C: A candidate for publication in journals evaluated and registered by the National Research Foundation of Korea or the recipient of an award from a national contest -maximum of 500 thousand won
 - Level D : Published in international or national general journals - maximum of 300 thousand won
 - Level E : Presenting at international or national academic conferences - maximum of 200 thousand won

D. Assistance Adapting to Life in Korea and Korean Cultural Experience Programs

- Academic orientation for new students

Classification	Contents	notes
Orientation upon arrival in Korea	- Campus tour - Guide to living in the dormitory - Important points regarding entering and exiting Korea - Using the facilities on campus	Offered in a variety of languages (English/Chinese/Mongolian/Vietnamese and other languages)

1. Graduate School

: Modern information societies demand intelligent leaders with an eye for understanding and the ability to read changes in the world. Intelligent leaders augment their knowledge in order to see the present, provide a vision for the future and serve mankind indefinitely. To foster the true intellectuals this era requires, Dongseo University's Graduate School focuses on the development of world-class research beyond community and nation. In accordance with this goal, Dongseo University operates joint graduate program with the Technical University of Berlin, the University of Erlangen, and Ritsumeikan University, making it possible for our students at these schools to get dual degrees.

1) MBA Course

■ Introduction

A global business world has opened. The world needs practical managers

with expertise in globalism to change the world. The Busan–Fukuoka Cross–Border Graduate School of Business Administration is established to educate experts who will lead in the development of the Busan–Kyushu region. The graduate school offers the best curriculum for fostering of professional business managers who will be well informed on both domestic and international economic matters, as well as international business management.

■ Special Features

1. In the master's course, Dongseo University cultivates 'CEO's of Design' who can run a design venture business with creativity, technique and business ability.
2. In the doctor's course, Dongseo University cultivates 'Design vision makers' who can turn their vision into the trend of world design.
3. Participate in design conferences and exhibitions in Seoul and other cities in Korea.
4. Exchange Programs with academic cooperation in internal and external graduate schools
5. Regular small exhibitions
6. Dongseo University has been participating in a project called BK21, which provides government support for special events such as seminars, scholarships and special lectures.

2) Dept. of Ubiquitous IT

■ Introduction

The technology of computer, broadband service, which lead the information communication, is rapidly developing and a super–high way information network is accelerating extensively. That could make an information–oriented society advance so that network, internet and multimedia etc. become new key industries of an information oriented society.

The demand for workers, associated with making internet–application services and with designing games, animations and multimedia–contents, are suddenly increasing.

The Ubiquitous IT Department studies a field of study and application, which includes Ubiquitous IT Technology softwares and hardwares.

This department provides students with practical training, as well as theoretical studies so that after graduating from university, they can work well in industry, universities and institutes.

■ Special Features

1. This course teaches computer and information network engineering that provides students with skills in making games, multimedia contents

for the computer, internet applications and broadband services.

2. It trains professional technology workers in the information network field.
3. It provides project based education that enables students to implement their original & creative ideas in a practical way in the business field.
4. Exchange programs with academic cooperation in internal and external graduate schools
5. Dongseo University has been participating in a project called BK21, which provides government support for special events such as seminars, scholarships and special lectures.

3) Dept. of Biotechnology

■ Introduction

The department of Biotechnology offers varied educational opportunities which enable students to adjust to globalization and our modern information based society. The purpose is to contribute and strengthen national competitiveness, by nurturing our professional human resources for the future biotechnology industry.

Biotechnology is a field for applied engineering combined with several disciplines such as chemistry, biology, engineering and genetics. Biotechnology includes the study of microorganisms, cells of animals and plants. It also covers the analysis of cell functions and engineering parts. The study of biotechnology ranges from food and medicine to the engineering aspects of these subject matters.

■ Special Features

This division is conducted jointly by Berlin's University of Technology (TUB), Friedrich-Alexander-University (FAU) and DSU.

1. A dual master's degree system which was first introduced in Korea.
2. All lessons are conducted in English.
3. The same course contents that TUB & FAU have.
4. A year abroad study at FAU or TUB.
5. Earning a bachelor's dual degree in Biotechnology, Brewing Technology and biomedical engineering at TUB and FAU.
6. Dormitory housing is available at TUB, FAU and DSU.

4) Dept. of Visual Contents

■ Introduction

One paradigm for the 21st century economy is changing from being resource based to being information based. The visual industry has acted as a catalyst for the rise of industry, leading cultural development. A borderless culture war

is coming as information & communication technologies develop. At this time, it is urgent to nurture creative and professional human resources and to set up a study system which will pioneer then extgeneration in the visual industry sector.

The department of Visual Contents includes a study of visual contents such as games, animations, special effects in film, visual marketing/promotion, etc. Students majoring in engineering will be able to gain artistic sensitivity and students majoring in art will be able to gain skill in engineering through this course. It will also help to develop basic technologies and theories required by the industry fields, universities and research institutes.

■ Special Features

1. It nurtures practical talents for the visual industry.
2. This course is combined with several disciplines such as human studies, science and art and supported by professors in related areas such as computer engineering, design and advertisement/PR.
3. To enhance students' business abilities, this course presents a creative problem solving model.
4. The IAI(The institute for Ambient Intelligence) is conducted jointly by 'INI Graphics net' of GermanyandDSU.
5. A credit transfer system has been set up with affiliations between DSU and graduate schools at home and abroad.
6. Many supports such as scholarships, special lectures and seminars will be provided thanks to the BK21 government project.

2. Graduate School of Design

: Until now, the needs of producers and customers have taken the lead in the field of design. Designers have created products primarily to meet demands of producers and customers. However, designers in the future need to create a new paradigm for future design as well as to predict the needs of producers and customers. Facing the era of 'Sensitivity', 'Creativity' and 'Science', design is the center of change in the world. Dongseo University's Graduate School of Design aims to cultivate students to be designers who can understand the change of time and create design culture for 21st century.

■ Special Features

1. In the master's course, Dongseo University cultivates 'CEO's of Design' who can run a design venture business with creativity, technique and

business ability.

2. In the doctor's course, Dongseo University cultivates 'Design vision makers' who can turn their vision into the trend of world design.

3. Participate in design conferences and exhibitions in Seoul and other cities in Korea.

4. Exchange Programs with academic cooperation in internal and external graduate schools

5. Regular small exhibitions

6. Dongseo University has been participating in a project called BK21, which provides government support for special events such as seminars, scholarships and special lectures.

3. Graduate School of Mission & Welfare

: We share the love and hope of humanity with all mankind! The Graduate School of Mission & Welfare works to foster Christian psychologists, leaders for church music leaders, and social workers who will help to decrease alienation, narrow the socio-economic gap and cure the spiritual emptiness and psychological anxieties of modern mankind with the Christian-based mentoring and psychological healing of the "Mission Spirit".

4. Busan-Fukuoka Cross-Border Graduate School of Business Administration

: A global business world has opened. The world needs managers with expertise in globalism to change the world. The Busan-Fukuoka Cross-Border School of Business Administration is established to educate experts who will lead in the development of the Busan-Kyushu region. The graduate school offers the best curriculum for forstering of professional business managers who will be well informed on both domestic and international economic and financial matters, as well as international business management.

III. Campus Guide & Important Notes

1. Campus Guide (Resident Hall, etc.)

In an era of extreme competition that surpasses ideology, we nurture talent of the future in the educational environment we provide. Dongseo University is equipped with facilities such as an apartment-style dormitory with a mobile environment, a residence hall in China, and an "International House", that will serve as models for a globalized campus. With two basement floors and 13 stories above the ground, the total building size of the International House is 5,948m². It has one room large enough to accommodate 400 people. It also has a gymnasium, community kitchens, lounges, banking facilities, and other conveniences to create a comfortable academic atmosphere for its residents. Our apartment-style dormitory is equipped with a mobile environment for the convenience of approximately 500 students from outside of Busan.

Graduate Dormitory	Double Room	http://dmtrygr.ewha.ac.kr

Ewha Graduate Student Dormitory, designed by Korea's top notch architect Kim Won, has an easy access from everywhere on campus and a renown for its beautiful outlook. It serves as a "second-home" to 460 graduate students, international students, students in language programs, professors & researchers from 50 countries all over the world.

Along with the Ewha-Samsung international House(dormitory for exchange students) adjacent to it, Ewha Graduate Student Dormitory makes the little "global village of Ewha." Numerous kinds of foreign language can be heard in this area-from English, French, Chinese to Japanese and many more Asian, African, European languages.

The dormitory, established in September 2006 to enhance the globalization of Ewha, consists of two 9-story buildings which sum up to 16,597m² gross area. It has an inner court with two beautiful lawns that provides a rest for all residents. Especially, 12 glass lighting devices create a romantic atmosphere after sunset. Subsidiary facilities such as computer room, seminar rooms, reading rooms, prayer room, lounge, fitness room, laundry & ironing room, and kitchenettes provide a perfect convenience for residents.

Events on birthdays, Easter, Thanksgiving are great social offerings of dormitory life. With its excellent facility, the dormitory plays an important role in promoting intercultural communication and Ewha spirit within residents.

III. Campus Guide & Important Notes

1. Campus Guide

1) University dormitory

Priority will be given to foreign students. Two students share one room, which has desks, beds and closets. Internet is available in the room.

– Dormitory Fee: ~ USD\$810 for six months(meals not included)

2) Library

You can check out books from the university library after you get your university ID card.

– the maximum number of books a graduate student can borrow:
20 books

– the period for borrowing books: 4 weeks

3) KIMCHI(Korean International Members' Club at Hongik)

KIMCHI members help foreign students adjust to the life at Hongik University by providing a variety of voluntary services such as providing an airport pickup or acting as a buddy.

4) International Student Lounge(ISL)

You can use the above ISL provided by International Center.

2. Important Notes

1) "KGSP Guidelines for the Year 2014" will be notified at the website of NIIED in last January of 2014. Then this graduate school will inform the confirmed application guidelines at the website of this school.

2) Submitted documents will not be returned to the applicants.

3) If the details on the application form are not true or the documents are not properly made out, the admission will be canceled.

4) Documents should be presented in their original format.

Documents not in English or Korean must be accompanied by an certified English or Korean translation authenticated by the issuing institution.

Original documents should be submitted.

Should they be unavailable, certified copies (authorized by the originating institution) must be submitted.

- 5) You can see the 2014 kGSP Guideline by our website or NIIED website for checking admission schedule, eligibility for application, required documentation, application procedure etc.

	double	Bed, Air conditioner, Telephone, and others	KRW 1,360,000
	double	Bed, Air conditioner, Telephone, and others Private Bathroom, Shower Room	KRW 1,520,000

* The dormitory fee can be changed.

* The dormitory fee includes meals(breakfast and dinner) during weekdays(Mon ~ Fri).

2. Scholarship (Graduate School)

- Jungseok International Scholarship
 - Korean Government Scholarship Students are allowed to get entrance fee and the tuition fee which excess KRW 5,000,000 from the graduate school.
(NIIED will support their tuition within KRW 5,000,000.)
 - Additional tuition fees after NIIED's scholarship period will be supported by Inha University, if it is needed.
- Assistantship Scholarship
 - Lab assistant and Teaching assistant will get around KRW 1,000,000 for one semester as Assistantship Scholarship. To be LA or TA, you should achieve recommendation from adviser professor and individual department and get permission to engage in activities other than those permitted by the status from Immigration Office. Korean Government Scholarship Students are allowed to apply for LA or TA.
- Research Allowance
 - While studying at Inha University, international students who participate in a certain research project have chance to achieve research grants. According to your major area and adviser professor, research projects which you can take part in will be determined.

3. Support programs for international students

- 1) Assignment of mentor students for new international students
 - Mentor students(international students who come from the same country or are at the same department) will help new international students during degree program.
- 2) Field trip and international culture festival for international students
 - Field trip : Mt. Seorak(2011), Mongchontoseong(Mud Rampart) (2012), Korean Folk Village(2013)
 - Culture Festival : Food Festival, Cultural Performances, etc. (In May)
 - Graduate School of Logistics offers opportunities of field trip to industrial sites.

III. Campus Guide & Important Notes

1. Campus Guide

I) KU:L House – On-Campus Residence

- KU operates on-campus residence halls called KU:L House
- It has one-bed room or two-bed room types, and the housing facility can accommodate up to 3,000 students.
- Each room is equipped with an independent air conditioning system, a refrigerator, cable TV, wired and wireless internet.
- Each residence hall has laundry room, individual mail boxes, and a cafeteria. (meal plan is optional)
- KU:L House also has gym facility and runs various training programs for students. (golf, yoga, k-pop dance, etc.)
- Room and Board placement and its payment runs on a 6-month basis, and KU:L House does not refund any money to any early retirees from the residence.

II) Financial Aid to KU:L House Students

- KU supports GKS students at KU:L House on their room and board expenses for up to KRW 150,000 per month.
- Actual payment each GKS student will make is around KRW 220,000 per month. (excluding meal plan fees)

III) GKS Mentor Program

- GKS students at KU will be tied up with a group of mentors and they will support GKS students for successful settlement.

2. Important Notes

I) Preparing Application Documents

- All applicants should refer to the list of required application materials proposed by NIIED and make sure none of the requirements are missing.
- Self Introduction and Study & Research Plan should be more than one page each. (A4 format, font size 12pt)
- Recommendation Letter has to be written by your academic

advisor or the dean(or president) of your graduating university and it should be in English or Korean. Otherwise, the recommendation letter has to be translated and notarized before submission.

- Your passport expiration date should be long enough to prevent any potential problems related with sjourn matters while residing in Korea. (3 years and more recommended)
- Academic Transcript and Graduation Certification should be issued in English or Korean, otherwise the documents has to be translated and notarized before submission.

II) Application Material Submission

- All application materials should be submitted as directed by KU on time.
- If any missing documents found upon submission, the application will be automatically considered incomplete and taken out from the admissions screening process.

III) Requesting Additional Documents Submission

- For all successful GKS candidates, KU can, if needed, request designated students to submit additional documents to supplement their paperwork completely.
- The additional documents can range from a complete academic transcript to graduation certification and each GKS candidate should comply with KU directions and its admissions policy.

III. Campus Life

1. Location

The KOREATECH campus is located in Byeongcheon, near the city of Cheonan. From KOREATECH, Seoul(South Korea's capital and largest city)is easily reached by bus and takes 1 hour.

Also KOREATECH offers a number of daily shuttle busses to and from Cheonan and Seoul.

2. How to get to KOREATECH

■ By Bus

- From the International Airport, take a bus to Cheonan and get off at and Cheonan Bus Terminal, then take a bus or taxi to KOREATECH (app. 20km, 20,000 Korean won)

■ By Express train (KTX)

- Take KTX train and get off at Cheonan-Asan Station, then take a taxi (app. 20km, 20,000 Korean won)

■ By Train/Subway/Express Bus/Intercity Bus

- Get off at Cheonan Station then take a bus (No.400, app.40 minutes) or a taxi (app. 17Km, fare 15,000won) to KOREATECH.

■ By Car

- Take the Gyeongbu Express Highway and exit through Mokcheon Toll Gate, turn right and proceed straight for 5km.

3. Major Facilities

■ Dormitories

- Five general dormitory buildings (main corridor, shared shower and toilets)
- One studio-type dormitory building (room with individual shower and toilet)
- One apartment-type dormitory building (3 to 4 rooms for 2 to 3 persons per unit)
- One English-only Dormitory building (same as apartment-type dorms, English spoken) Approximately 70% of all students live in our dormitories.

■ Cafeterias

Three cafeterias are available on KOREATECH campus (Student Cafeteria, Snack Bar, Faculty Cafeteria) and the price of the meals range between 2,500~4,000 won depending on menu item/cafeteria.

■ Sports Facilities

Sports facilities on campus include outdoor and indoor gymnasium, squash rooms, fitness center, table-tennis rooms, among others

■ Convenience Facilities

KOREATECH convenience facilities on campus include banks, kiosks, coffee shops, optician, bookstore, hair salon, public health center, among others.

■ Library

The Dasan Information Center of KOREATECH which takes its theme from Dasan, Jeong Yak-yong one of the greatest Realist Confucianism scholars of the Chosun period, is a cutting-edge facility with 250,000 books. The library has a special hall for various books on vocational training and specialty publications.

4. Life on Campus

■ Student ID Card

In general, all international students are required to carry with them at all time an alien registration card registered at the Immigration Office according to the Immigration Act. On campus, international students will be issued student ID cards that are used to enter dormitories and classrooms, kiosks, coffee shops, campus bus, borrowing books and used as debit cards, among others.

■ Student Clubs

Some 60 students clubs are available on campus, covering various sports, leisure, culture and arts, religious and volunteer services, as well as various academic fields. The clubs are also open to international students.

■ Major Events on Campus

Exciting activities take place on campus including the Hanmaek Festival, a cultural festival organized by the Student Union and Student Clubs in May every year, an academic festival held in October. During the academic festival period, graduates display their year-long work in an exhibition. Furthermore, various events take place around the dormitories, such as the festival at Resident Student Night organized by the individual dormitory councils, and various sports games and competitions led by Student clubs take place on the campus that add to the dynamic spirit on campus.

III. Campus Guide & Important Notes

1. Life in Kyung Sung University

● Introduction of Kyung Sung University

In 1955, Kyung Sung University is established by the Reverend Dr. Kim Gil-Chang, a pioneer of Christianity in Korea. the university has 9 undergraduate colleges (Liberal Arts, Law and Politics, Commerce and Economics, Science, Engineering, Pharmacy, Arts, Theology, and Multimedia) encompassing 5 different faculties and 50 departments. 1 faculty and 10 departments offer classes through the Evening College. In 2004, the Ministry of Education & Human Resources set our school's maximum enrollment for freshmen at 3,120 students. There are 7 graduate schools (General,

International Management, Multimedia, Education, Social Welfare, Clinical Pharmacy, and Digital Design). 9 affiliated organizations and seven affiliated research institutes have been established to aid teaching and research. Kyungsoong University's 700 employees and over 13,000 students are all working together to achieve the school's educational goals.

● Introduction of Busan

Kyungsoong University is located in Busan, the 2nd largest city in Korea. Busan is a beautiful coastal city with two of the most famous beaches in Korea, Haeundae Beach and Gwangalli Beach. Kyungsoong University is located in center of Busan and Busan is the first port city which Busan International Film Festival (BIFF), Busan Sea Festival, Busan Fireworks Festival, Busan International Rock Festival, Busan Biennale, The New Year Festival and various festivals are held every year.

- Attractions in Busan : Busan is usually called 'Marine City' by many people. There are many famous beaches, such as Haeundae, Gwangalli, Song-jung Beach, Song-do Beach, and Dadaepo Beach. Busan is the city of mountains as it is named. Most of the mountains are at an elevation of about 500 meters which is not very high, nor low. There are well-known mountains such as Geumjeongsan Mt., Jangsan Mt., Baegyangsan Mt., Hwangnyeongsan Mt., and Seonghaksan Mt. Famous parks in Busan are APEC Nuri Park, Children's Grand Park, Youngdusan Park, Geumgang Park, Amnam Park, and Samnak Riverside Park. Cultural Centers of Busan are Busan Cultural Center, The National Center for Korean Traditional Performing Arts in Busan, Busan Museum of Art, Geumjeong Cultural Center, Haeundae Cultural Center

● Dormitory(Nuri Dormitory)

The Nuri Student Living House, Kyungsoong University's dormitory, was built to attract excellent students who are from the suburbs and to correspond with the new image of the university of a high-quality institution. The 15-story Nuri Student Living House can accommodate around 660 students in 330 rooms. Each room can accommodate two students and is designed with a deluxe bathroom, HVAC and refrigerator so that students can enjoy the most pleasant and comfortable campus life. As subsidiary facilities, there are a fitness center, a table tennis room, laundry rooms for men and women, dining room holding up to 400 people, a convenient store, a post office, a student lounge, an internet cafe, a party room, a students' autonomy office, a language lecture room, a conference room and an assembly hall. Besides, rest rooms, meditation rooms and reading rooms are provided on every third floor

respectively.

● Sports Center

Our university operates a sport center in campus to lead more balanced student life to be healthy and happy. The sport center is equipped with a variety of exercise equipments for both aerobic exercise and work with weights and it have indoor swimming pools that have no chemical smell by setting up ozone filtering systems, water softeners, and facilities for blocking ultraviolet rays. Also in the sport center, there are a fitness center having a wide space for stretching, Squash Court fitting out with wooden floors and safety glasses and Aerobics room equipping with optimal surround sound systems and wooden floors.

● Welfare Facilities For Students

Kyungsung University's student welfare facilities consist of student convenience facilities and general campus facilities. Student convenience facilities include the departmental meeting rooms, men's and women's lounge areas in each college, club meeting rooms, and student council offices. Campus facilities include student and faculty cafeterias, snack bar, general store, barbershop, beauty parlor, copy center, photo shop, optical center, computer store, travel agency, coffee shop, bank, and post office.

● Cultural Life on Campus

Throughout the years many kinds of academic and artistic festivals are held to enhance school spirit and to further the ideals of the university. The Daedong Festival is held each year around May 30, the anniversary of the founding of Kyungsung University. Each department also holds its own "Fall Festival" during the fall semester. Various volunteer service activities are carried out by student groups including volunteer agricultural service three times every year during the spring, summer, and fall.

V. Application Procedure

Admission decisions are based on the candidate's academic achievements and potential, as well as his or her personal accomplishments.

The admissions committee reviews a number of factors including records of past studies (such as GPA), study plan, personal statement, and letters of recommendation. Other records of achievement and specific qualifications such as language proficiency are also taken into consideration. Candidate's application is reviewed in the context of the level of studies completed, quality of achievement and characteristics of institutions attended. Finally, the appropriateness of the applicant's academic goals and suitability of preparation for the proposed program of studies are assessed.

Interviews, examinations, and/or additional documents may be required from the applicant, based on the policy of the particular college or department. Applicants will be notified via individual email should an interview or a separate exam be necessary.

VI. Campus Life

1. Housing

–Housing on campus, composed of 2,600 units in 28 buildings, can accommodate up to 4,500 students.

2. Library

–Seoul National University's Central Library has been improved since it was built in 1946. It is well equipped with modern facilities and a wide range of resources. As well as the Central Library, students can access other individual libraries located at and operated by corresponding colleges.

3. Club Membership

–There are more than 100 different clubs registered and actively running, covering various areas of interests including sports, culture, performing arts, academic fields, religion and etc.

4. SISA(SNU International Student Association)/IGSA(Int'l Graduate Student Association)

–A community organized for international students

5. Academic Support

- To support international students, there are a number of programs offered; Korean language/culture classes, courses taught in English, classes available online, workshop/tutoring sessions for thesis writing and counseling programs for study and research.

6. Supporting other things

- As well as the academic support, International Office provides other supports and services to make students' life easier and more convenient. Career Development Center offers career counseling and job consulting. Moreover, students can be benefited from mentor-mentee program, SNU buddy program, counseling program and culture programs as well as easy access to various restaurants, cafeteria, and medical services.

VII. Important Notes

III. UNIST Introdcction and Gulde

1. World Top 10 University by 2030

1) VISION

World leading university to advance science and technology for the prosperity of humankind through convergence in science and technology and by cultivating creative global leaders who will usher in new scientific paradigms.

2) GOALS

To be ranked within the top 20 science and engineering universities by 2020 and within the top 10 by 2030

- **Education:** To cultivate leaders that excel in science and technology
- **Research:** To cultivate Nobel Prize winners as well as globally recognized scholars by 2030 (Winners of Fields Medal, Lasker Award, Curie Award,)

3) STRATEGIES: Creativity, Interdisciplinary Studies, Globalization,

4) Competitiveness

- ☐ 100% English lectures for all the curriculum
- ☐ Strong support by government as the first incorporated National university in Korea

2. School Facilities

1) Library

UNIST Library can provide faculty, staff, and students with a variety of information and digital data bases such as E-theses, journals, audio-books, periodicals, especially E-education materials, and E-books, to give users online access to high quality educational resources.

2) Dormitory

UNIST Dormitories are cozy apartment-style lodgings with separate heating and air conditioning. The dorms also play a role in developing global networks among students as the residents use English as a medium of communication.

3) Sports Center

Sports Center has swimming pool, squash court, indoor golf training court and fitness center. UNIST offers all of these facilities for students as well as community.

4) Center for Healthcare and Counseling

A welfare agency protects and promotes UNIST member's health of mentality and body. We provide health screenings, immunizations and health assessments, including consultations on health, disease treatment and prevention activities, first aid, individual counseling on psychological testing, group counseling, mental health counseling, and workshops,

5) UNIST Career Development Center

This center provides internship and leadership programs, career counselling, and employment preparation services in order to assist students.

3. Introduction of Ulsan city

Ulsan (officially the Ulsan Metropolitan City), is South Korea's seventh largest metropolis with a population of over 1.1 million. It is located in the south-east of the country, neighboring Busan to the south and facing Gyeongju to the north and the Sea of Japan (East Sea) to the east.

Ulsan is the industrial powerhouse of South Korea, forming the heart of the Ulsan Industrial District, which is home to the world's largest automobile assembly plant operated by the Hyundai Motor Company, the world's largest shipyard operated by Hyundai Heavy Industries and the world's third largest oil refinery, owned by SK Energy. In 2008, Ulsan had a GDP per capita of \$63,817, the highest by far in South Korea.

4. Fellowship programs to nurture world class scientist and scholars

UNIST provides graduate students with RA/TA financial support that covers tuition fees and minimum living costs every month, for graduate students who take on the role of research or teaching assistant. (Selected students are not allowed to also hold other scholarships during the same period)

☐ The amount of RA /TA scholarship & stipend

Engineering Field

Master's students : Above KRW 940,000 / month (KRW 11,280,000 / year)

Doctoral students : Above KRW 1,140,000 / month (KRW 13,680,000 / year)

Management Field

Master's students : Above KRW 840,000 / month (KRW 10,080,000 / year)

Doctoral students : Above KRW 1,040,000 / month (KRW 12,480,000 / year)

☐ Nine Bridges Fellowship

- **Who may apply:** Excellent UNIST students in combined Master's-Doctoral courses or the Doctoral courses
- **Amount & Terms:** Max.90,000,000krw over 3 years

☐ Nobel & Star Fellowship

- **Who may apply:** Excellent UNIST students in the combined Master's-Doctoral or the Doctoral courses whose research fields are related to nominated world class scholars' laboratory
- **Amount & Terms:** Max.90,000,000krw over 3 years + expenses of dispatch to overseas lab Max.30,000,000krw
- **Other benefits:** Six month laboratory dispatch to other world class institutions.
 - Research/Thesis guidance from both world class scholars and UNIST faculty members
